# Clubs and Amenities Spotlight

Cherie Gilmore-Forczak, Chair, Clubs & Amenities

This month, we would like to spotlight Drumming For Peace. The following information has been submitted by Rev. Clara Z. Alexander, who facilitates the group.

Three women created the KCCA club called Drumming for Peace in May of 2023. Meeting on the 3rd Wednesday of every month, we've become a group who enjoy being together. We beat Native American drums and other drums (whose names I do not know), ring brass bowls, or shake rattles or sticks. We have a variety of soundmakers and extra drums. One person brings a rattle made from

dried beans in a milk cardboard carton (maybe Almond milk), and another beats on white buckets. Our aim is to shake up stagnant energy in ourselves and our communities. We drum and meditate for 5 to 10 minutes in spontaneous quiet times. Sometimes, our meditation is drumming for peace in diversity or for those who have recently passed to the next life. We value and include those who can keep a rhythm as well as those who can't. We support each other in remembering the feeling of joy and peace within our hearts.

I just might grab my rain stick or brass bowl and join in the drumming on the 15th as part of my continuing challenge that we all get out there and try something new each month.

## 2024 KCCA Meet the Candidates Forum

Hosted by Community Conversation

**SAVE THE DATE**

**Saturday

**MEET THE CANDIDATES  
FORUM**

**MAKE AN INFORMED  
VOTING DECISION**

Hosted by  
Community Conversation

KCCA Board of Directors Elections are right around the corner. This is your chance to hear straight from the candidates on the issues that most directly impact you and your community. The slate of candidates was announced at the BOD meeting on April 9th. To provide an unbiased forum that will be informative for the voters, fair

to each candidate, pleasant for everyone and ensure all candidates will be treated alike, this year, we are inviting the community to submit questions for the 2024 candidate forum. Submit as many candidate question(s) as you'd like to [comconkcca@gmail.com](mailto:comconkcca@gmail.com). (your name will not be identified). Another option would be to submit your questions in a sealed envelope and deposit it in the black box in front of the Clubhouse to the right of the entrance.

Questions for candidates will be accepted through May 6th. The questions presented to the candidates will be randomly drawn at the Forum and presented to the candidates by the moderator. Only questions received in advance will be presented to the candidates.

Each candidate will be given 3 minutes to deliver their statement and two minutes to answer each question. If time allows, at the end of the meeting, candidates will be given an opportunity to present a closing statement. After the event, there will be an informal coffee hour to mingle with the candidates.

The Meet the Candidate Forum is intended to give you, the voter, a better understanding of where each candidate stands on the issues that matter most to you. We believe this will help all our voters make a more informed decision when it comes to casting your ballot. If you have any questions about the Candidate Forum, please email us at [comconkcca@gmail.com](mailto:comconkcca@gmail.com).

### What I Hope to Accomplish as a Member of the KCCA Board of Directors

HOA Boards serve an important role in keeping strong property values in the community as well as building and maintaining strong relationships within the community. A home is a valuable asset, and keeping our property values strong is something I am passionate about and want to accomplish. Keeping our community vibrant and well-maintained is one of my goals.

I would also like to continue the strong sense of community via community activities - parades, soup days, concerts, and friendly competitions, along with hands-on volunteer involvement with food & clothing drives and meeting area needs.

## Lono Waiwaiole

Lono was born in San Francisco at the end of WWII and moved up and down the West Coast throughout his childhood. He landed in Portland in 1962 (just in time for the Columbus Day Storm), where he graduated from Grant High School.

He started college at Oregon College of Education in hopes of becoming a teacher, but he ran out of money, dropped out to work, got drafted, served a year as a medic in Vietnam, eventually returned to OCE on the GI Bill and graduated in 1971. That was followed by a detour into a 15-year career in journalism, culminating in a stint as editor of the Forest Grove News-Times.

He went back to school in the mid-1980s to earn a master's in teaching degree at Pacific University and finally got started as a teacher and basketball coach, joyous work he continued until retiring in 2014.

Lono and Gayle moved to King City in 2016, where he has served as president of the Shuffleboard Club, co-founder of the Table Tennis Group, co-founder and director of the King City Deep Stack Texas Hold em Tournament, and publisher of an electronic newsletter focused on the governance of our HOA called the King City Observer. He was appointed to the KCCA Board of Directors earlier this year.

What has surprised him the most about King City since moving here? "This is the first time I have lived among so many fellow Vietnam veterans, and I had no idea what I was missing on that front until I got here."

And speaking of wars, Lono believes the members of this community have been fighting among themselves for way too long. He promises to do everything he can to "make the Board of Directors boring again."

## Chris Walbridge

I am Chris Walbridge. My husband Keith and I purchased a townhome in Garden Villa and moved here in April 2014. We found the community very warm and welcoming. We will be married for 51 years this coming August and have two grown children.

Before moving to King City, we lived in Pendleton for 32 years. Keith worked for the US Forest Service, and I worked for Kmart for 25 years, where I managed several departments, including Automotive, Sporting goods, Fashion Accessories, Toys and all Seasonal. I also worked for Banner Bank for five years until we sold our home, bought a motorhome and headed south. We traveled to Mesa, Arizona, and settled in Park Place. I became the Activity director, and Keith was the lead hiker. We missed our kids and grandkids and moved here.

Since moving here, I have become involved in the TOPS club, where I was the leader for around four years. Keith and I are both involved in the Quilt Guild. I was involved in the committee to find a new Administrator. I was also on the pool construction and pool committee. I joined the board in June 2024 and was appointed President when Jim Minor left.

It is a job I take quite seriously. I have had some good times and I have had some bad times, but through it all I have grown and learned a lot. I was instrumental in hiring our administrator Michelle Lee, and with the help of our board, we are turning things around for a better community.

If elected back to the board, my goal is to continue to work for positivity and the continued good of the community.

Thank You,  
Chris Walbridge

# King City Artists' Guild

Submitted by Diane Tyhurst

Hi! The flowers are in bloom, and Spring is in the air. The K.C.A.G. has several new members, and we have been planning two big upcoming events. At the end of March, we hung new art in the Clubhouse living room. The new theme is Flora and Fauna of Spring. We hope that folks enjoy our new creations. On April 18, we were instructed in painting using acrylic paints, which was new to several of us. Our instructor, **Darla Boljat**, an acrylics artist from Sherwood, was our teacher, brought to us by member **Laurie Svec**. She was interesting and helpful to those of us who were fumbling with the new medium. Much discussion in April surrounded our upcoming

art show at Tigard Library during the month of June. Many details were worked out, and members seemed eager to show their art in a new venue. Important items discussed were labeling of paintings, packaging techniques, making a spreadsheet of our artists for the library, and hanging/ displaying pictures. We will display our artwork in the library on June 1 for the month-long show. Another event we have been participating in is discussions of chosen artists that we enjoy. On April 11, **Denise Aruidson** taught us about **Rie Munoz**, a Dutch artist who painted landscapes in Alaska. At a future date, **Diane** will talk about wildlife artist **Schim Schimmel**. Beginning in June, our new theme for the summer will be Art in Water. These

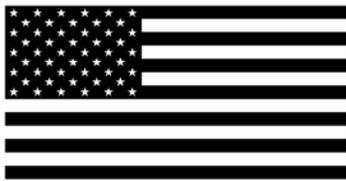

new paintings will be hung in the Clubhouse living room and shown all summer.

The K.C.A.G. meets every Thursday afternoon from 1:00 to 4:00 p.m. in the multi-purpose room at the Clubhouse. We welcome all folks who love art and would like to spend time with like-minded people. Art is a great way to redirect our thoughts from the conflicts in the world to create beautiful products that family and friends will enjoy. Come join us!

*“Some evil wreaks suffering and trauma beyond words. But the power of artistic expression can open channels of healing even in such devastation.”*

## KCCA Music Club - *Music of John Denver and other “folks”*

Submitted by Paula Wenzl

Our **First Thursday Concert** will be on **May 2, 2024**, at **2:00 p.m.** in the Club House Banquet Room.

It was so good to sing again for our King City community in April. We have great plans for May to help us all welcome Spring. The chorus is planning on bringing you some favorite John Denver songs, including “Rocky Mountain High,” “Annie’s Song,” “Leaving on a Jet Plane,” “Take Me Home Country Road,” and others!

If you have questions about joining our group, please feel welcome to contact either **Muriel Dresser**—she is the one on piano—503-443-6777 or club president **Paula Wenzl**—she is one of the directors—503-720-4835. A good time to start is the first Thursday after our monthly program, as that is when we start with new music. Dues are \$25.00 a year.

Remember, our first Thursday program will be on May 2 in the Club House Banquet Room. We hope to see you there.

### SINGER SPOTLIGHT:

Barbara Parks moved to King City in 2014. After her husband passed, she wanted a place to make new memories. She did her research about King City and liked what she learned. She fell in love with it and feels safe here.

Before she moved here, she had a long career in Asset Management. In her early college years, she studied voice, theatre, and acting, and she was a lead in a college production of “Same Time Next Year.” Then, marriage and four children meant focusing on the family. When the kids were older, she was able to return to school and attended the University of California, Los Angeles, where she graduated in 1975 with a degree in Asset Management. After graduation, she had several positions in the financial world and landed a 10-year position with Fannie Mae in management, focusing on Loss Mitigation. The position required much traveling. Working for Fannie Mae, she wrote policies and procedures that are still in practice today! Later, she had a 10-year position with Umpqua Bank and retired in 2020.

One day, Barbara was in the lobby exploring what King City offers, and she heard a piano and singing! She wandered in and sat and listened. After the rehearsal, she asked if she could join and has been a member for almost 10 years. When asked what keeps her coming back to sing, she quickly responded that it was the smiles from the audience! She loves the supportive group and the family-like feeling within the chorus.

# Monthly Musical Welcomes Back Larry Wilder

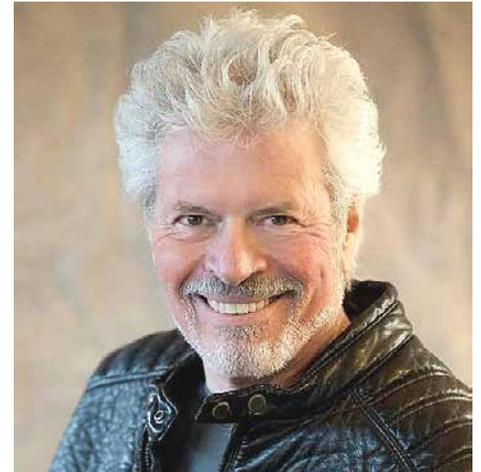

Submitted by Linda Sawyer & Molly Bowman

**Larry Wilder returns to the King City Civic Association on May 12, 2024, at 2:00 p.m.**

Let's face it: the Monthly Musicals audiences have their favorites, and **Larry Wilder** is one of them!

He describes himself as the "Keeper of the Americana Music Flame." So, what is this kind of music? The Americana Music Association

defines it as a combination of "... the rich threads of country, folk, blues, soul, bluegrass, gospel and rock." Basically, it's our nation's history captured in music. Is it any wonder that we like it? In his unique and entertaining way, Larry brings together this rich variety of sounds. To compliment the music, he shares interesting stories about the artists and their songs. His performance will remind us that we are all part of the great music of America. What's not to like?

## Benefits of Tai Chi

Submitted by Bill Kirtley

According to Harvard Health Publishing, Tai Chi is slow and gentle, but still addresses the key components of fitness: muscle strength, flexibility, balance, and aerobic conditioning. Tai Chi improves both lower-body and upper-body strength, as well as core muscles of the back and abdomen. It is comparable to resistance training and brisk walking. Tai Chi improves balance and trains a person's sense of the position of their body in space. Studies show that Tai Chi reduces falls and increases mental health. Depending on the speed and size of the movements, Tai Chi provides aerobic benefits. Practitioners of this ancient Chinese activity call themselves Tai Chi players. The supportive, joyful group members that plays at the ballroom every **Wednesday and Friday at 10:00 a.m.** under the guidance of martial arts instructor Will, invite you to join them.

## King City Community Garden Club News

Submitted by Peggy Nelson

Spring is coming! Spring is coming! We have been waiting for warmer temperatures and better gardening conditions all winter, and it looks like... it is ALMOST here! The club has now met for three months, and we are working on several projects for this year.

We visited a Portland nursery in March called Garden Fever! and it was a blast! Located in the Grant neighborhood in NE Portland, it was an amazing store, filled with all that any plant lover could ask for. Staff were very helpful to our group, and allowed us to wander all around. Lunch was held at the Kennedy School McMenamin's (a short trip away) before we made our way back

to King City. Transportation was provided by Ride Connection to the nursery, so we were able to relax on the trip, both there and back.

Come join us when we meet each second Friday through the year (until November) and make some new garden-y friends. If you have any questions about the club, please call **Peggy Nelson** at 541-951-9930

# King City Women's Golf Club

By Linda Ray-Keeney, King City Women's Golf Club

April 3, 2024—The rainy weather expected for the opening day held off, as twenty-four of our members were able to complete their scheduled morning rounds before it started to rain. After the day's play, members gathered for the monthly club sack lunch meeting in the association clubhouse. Along with distributing the current season's schedule and membership booklet, new and newish members were introduced. Our handicap chair went over a few important new rules all golfers will need to keep in

mind while on the course.

It was brought up that the King City Men's Golf Club has extended an invitation to the KCWGC to join them on April 21 for their "Memorial Tournament" in honor of members both clubs have lost.

Coming up in May is our Welcome Continental Breakfast for lady members sponsored by the club's board. Fun games scheduled for the month are Waltz and Longest Putt.

Be sure to contact KCWGC pres-

ident **Joy Hirl** at [jdhir@aol.com](mailto:jdhir@aol.com) for information on the club if you, or someone you know, would like to join us for the 2024 season. It is not too late.

For the lady player who is unsure about joining but needs more information about our club, consider joining us at one of our monthly meetings.

See you on the course soon!

## Tolls

Submitted by Dan Harris, Concerned Republicans

Hello, King City Friends and Neighbors! May flowers are blooming, and the Primary Election for 2024 is here. Be a mindful citizen and vote. We will discuss the results of the Primary Election at our meeting on **May 16**, the 3rd Thursday of the month.

Tolls in Oregon are not “dead,” as some Oregonians may believe. John Ley will be our main speaker, explaining Oregon Governor Tina Kotek’s recent decisions and statements. Governor Kotek is allowing tolls with the I-5 Interstate Bridge Replacement program, and she has asked the Oregon Legislature to consider a major transportation package in the 2025 session. Funding for HB 2017 projects from 7 years ago has an estimated shortfall of \$3 billion.

Washington County residents need to keep a watchful eye on ODOT and their Westside Mobility Improvement Study (WMIS). That package of projects includes unspecified tens

of billions in costs and a proposal to fund them, in part with tolls. Plans also include connecting Hwy 26 with US 30 to bypass the Vista Ridge Tunnel in downtown Portland and a new MAX light rail tunnel under the Willamette River connecting downtown Portland with Lloyd Center.

Governor Kotek has been silent on tolling recently because of the uproar it has caused and does not want to let tolling have a negative impact on the November election. Tolling around the Portland Metro Area will affect all residents. Come and join John Ley for the most accurate and current information about tolling in Oregon.

There will be updated information for School Choice. Petitions will be available for your signatures, and packets will be available for those who can help gather signatures.

**Join us on May 16, 2024, at the  
KCCA Clubhouse, 15245 SW  
116th Ave, King City, OR 97224.  
The doors open at 6:30.**

## Celebrating the Return of Our Rock Fountain

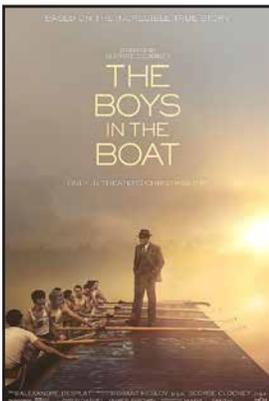

Submitted by Mike Ceccanti

Thanks to the efforts of our golf superintendent, **Jeff Halfman** and the grounds crew our rock fountain is back in action after being shut off since pre-COVID. Jeff not only got the pump working, but also trimmed the bushes back that have been hiding the fountain these past four years. We are thrilled to have this great water feature revitalized and appreciate Jeff for his hard work in making it happen.

## The Road Less Traveled to a Happier Christian Life

A Gathering of Women of All Ages is held every Wednesday Evening from **6:00 to 7:00 p.m.** at King City Clubhouse.

Our purpose is to provide a safe, confidential atmosphere that allows us to discuss and overcome the emotions that have kept women in bondage for centuries (such as fear, rejection, anger, anxiety, and so much more). The Word of God will be the light that guides us through the wilderness.

The class will be led by two local women who've faced many challenges in their lives but have found the path that leads to joy, gratitude and peace:

**Leslie Gertner**, a King City resident, is a retired teacher and current administrator for the Ministry of Women, Men & Youth of Purpose International, which was founded by Dr. Virginia Phillips in Newberg 30 years ago.

**Ms. Bud Carlisle**, a Tualatin resident, manages a large food distribution company, and both ladies have had many years of faithful volunteer work in their communities.

We invite you to join our sisterhood and let the peace begin!
