Our KCCA July 4th Parade Grand Marshall!!

Joyce Saari, a longtime resident of KCCA, will be this year's July 4th parade Grand Marshall — a choice that reflects both her vibrant spirit and lifelong commitment to community. At 99 years young, Joyce's life is a remarkable tapestry of community service, creativity and resilience. A master gardener, artist, and active volunteer, there couldn't be a more fitting choice.

Joyce Saari

Joyce was born in 1926. She and her brother were raised in Portland, Oregon, supported by 13 aunts and uncles. Her brother was later killed while in the service. She attended Kennedy Elementary, Commerce High School (now Cleveland High) and Hastings Business College, where she studied shorthand to fulfill her dream of being a legal secretary.

After graduation, Joyce worked in a law firm on the 15th floor of the Northwestern National Bank Building.

Outside of work, Joyce enjoyed war bond rallies and the big band era's music. She loved to dance (especially the jitterbug), sing, and even sang with Portland-born actress Jane Powell at one of the rallies.

In 1947, Joyce met Al Piland at a dance at Blue Lake Park. They married and had two children. After their separation 19 years later, she raised her children as a single mother. In 1972, she married Del Hewitt, a trucker, pilot and inventor of truck improvements like the air-operated window lift. Together and with several others, the Pacific Northwest Truck Museum was founded in Brooks, Oregon.

Due to her diminutive stature, she was unable to see out of the window to fly Del's plane. So she went to "ground school" to learn to navigate while Del was flying. Del and Joyce lived in Aurora, Oregon, on 20 acres where Joyce honed her gardening

skills by landscaping the 20 acres on her own. She remained married to Del until he died in 2005.

She moved to King City in 2006 and later married Arnie Saari, with whom she was active in the Lions Club. After his passing, she continued her service as a devoted Lions member.

Joyce has also been a member of Iota Delta Sorority since 1966, where she launched a successful plant sale fundraiser benefiting local causes. This effort earned her the moniker "plant lady."

Joyce Saari is a shining example of resilience, service, and joyfulness. KCCA is honored to celebrate her as this year's Grand Marshal — a woman whose legacy continues to inspire.

Quarto De Mayo Fiesta

Submitted by Ron Yates

A record crowd of over 126 people celebrated Cinco de Mayo on May 4th in the KCCA clubhouse. All enjoyed a delicious catered meal by Julie LeBrun of enchiladas, rice, beans, chips with guacamole/salsa, Mexican pastries, and margaritas. With typical Mexican music playing in the background,

residents also conversed and received door prizes and a record high of \$213 was won by a resident who participated in our 50/50 drawing. The fiesta was sponsored by the KCCA Hello Neighbors Social Committee. This event was coordinated by **Merrily Nelson** and **Ron Yates** with the generous help from the following committee members: **Thia Barth**,

Jackie Ceccanti, Karen Dalrymple, Terri Johnson, Teresa O'Reilly, Megan Rutz, Elaine Simms, Edie Stoaks, President Peggy Trees, and Dennis Williams. Other helpers were **Judy Summers, Jim Gorman, George Palfalvy, and KCCA President Mike Ceccanti**, who served as Master of Ceremony. Several other residents also helped with clean-up. Our committee is very thankful for all the help that we receive.

Hello Neighbors Sponsors Monthly Dance

Submitted By Megan Rutz, Hello Neighbors Social Committee

At the request of many residents, the Hello Neighbors Social Committee will begin sponsoring a dance from **1 p.m. to 3 p.m. on the third Sunday of each month** in the KCCA Clubhouse Banquet Room. This event is open to both residents and non-residents, with an admission fee of \$10. The next dance is scheduled for **Sunday, June 15**.

Most Sundays, you will have the opportunity to dance to “The Angels,” performing various songs from the 1940s through the 1980s. Formerly of “Charles and the Angels” and a favorite of KCCA Residents, “The Angels” have continued performing following the

death of Charles in 2024.

It is the intent of the Hello Neighbors committee that, once established, this event will become self-sustaining and not impact the KCCA budget. To do that, we need to attract dancers from around the area, with the admission fee paying for the band, coffee and incidentals, and the balance returned to KCCA.

Whether you are a dancer or just want to listen, this event may be for you. Come check it out on the 15th.

If you have any questions, please contact **Ron Yates (503) 709-3531** or **Megan Rutz (503) 544-1425**.

KCCA's 4th of July Parade

Get ready for another one of KCCA's great July 4th parades. Residents with decorated golf carts, cars, trucks, motorcycles, bikes and just about anything with wheels will tour through our Community. Senior Village residents judge the entries from a cordoned off area at the corner of Royalty Parkway and Queen Elizabeth. Prizes for best decorated will be awarded at KCCA's Clubhouse following the parade.

Parade begins with lineup at 9:30am in KCCA's main parking lot with parade leaving at 10:30am. The parade route will be posted throughout the community and on the KCCA website.

Coffee, tea and donuts will be served by Hello Neighbors before the parade and they will continue after the parade with hot dogs and other picnic fare. All residents and their guests are invited to attend. Please bring a chair. Seating is limited.

Summer is Busting Out All Over

Submitted by Paula Wenzl

KC Chorus is celebrating Summer. Our First Thursday Program will be on **June 5, 2025, at 2:00 p.m.** in the Clubhouse Banquet Room.

What is better than two months of Broadway songs? Celebrating the Summer Season with even more great songs! The full chorus will bring you: *June is Busting Out All Over*, *In the Good Old Summertime*, *Heat Wave* and *Lazy Hazy Crazy Days of Summer*! When you come to hear us, you will enjoy some summer-themed Broadway songs, well, because they fit the theme! Judith will return in June, Joan is bringing that favorite, *Summertime*, and John is working on *It's a Most Unusual Day*.

Now that the May production for Northwest Senior Theatre is over, we will have a fuller sound as our singers return to us. People who like to sing seek out opportunities to

get involved with music, and 13 of our KC Chorus volunteered at the theatre group. We share their joy at their successful production and are happy they are back.

Sometimes our audience members ask why their favorite singer does not perform each month. As a group, we are 40 strong! When we put together a performance set list each month, we have about 10 openings, so you can see that with 40 members, in fairness, we must ask our singers to share the spotlight and alternate months. This process has surprised us with some fabulous new voices coming forward!

We expect to keep bringing you these programs all summer long!

We hope you will join us as we herald in summer with our First Thursday Program on June 5, 2025, at 2:00 p.m. in the Clubhouse Banquet Room.

Just a quick note to let you know that we in the garden club have been busy with plans for the next few months. While this spring has been awesome so far, it has meant that we have been very active in our yards (I'm talking about you and weeds), but we will soon be getting out and about. There are some gardens, nurseries and plant stores that need visiting. We will also be visited by a speaker or two who will give us some useful information for our gardens. Lots of fun stuff coming for the Summer.... Come check us out!!

We meet every **second Friday of the month in the Banquet Room from 2 p.m. -4 p.m.** See you there! (You might even have some fun!) Goodies are provided! If you have any questions, thoughts or concerns, please call **Peggy Nelson 541-951-9930**.

King City Artists' Guild

Submitted by Diane Tyhurst

"June is bustin' out all over..."

Welcome to Summer! Although the King City Artists' Guild has no official meetings during the summer, we enjoy gathering together, painting and speaking with other creative souls.

Our paintings in the arts and crafts building under the theme, MY FAVORITE PLACE, have received many compliments. In July we will switch paintings and exhibit paintings of our new theme, ANIMALS (birds, fish and insects included).

During May, members worked on various projects and shared the art they had produced at home. Member **Laurie Svec** continues to give private art lessons on Fridays at the Clubhouse. If interested, please call Laurie at **503-746-5917** to schedule a time. Laurie and member **Diane Tyhurst** continue to teach watercolor at King City Senior Village. This is a very enjoyable group, and people outside of Senior Village are welcome to join the class. The class is free and supplies are provided. The class

meets every Tuesday from 3:00 – 4:00 at Senior Village.

Upcoming events and notifications: On **August 9**, the K.C.A.G. will participate in an arts and crafts fair in King City to showcase the artistic talents of the King City residents, whatever field they excel in. More information will be available in the future.

The annual Washington County Open Studios art tour will occur on the **3rd weekend in October**. We will keep you posted on whether any of the members of the Guild will participate in this event. In September, the Salem Art Fair, an annual event, will happen at Bush Park. Members of the Guild have tentatively considered taking a bus to Salem for this event.

Habitat for Humanity is looking for donated art to display in their newly built homes. Donations can be dropped off at Community Warehouse in Tigard. Member **Kathryn Amrani** has suggested designing personally decorated envelopes for folks to share with others on holidays. On Memorial Day, members **Joyce Saari** and **Diane Tyhurst** will show their paintings of Presidents Ronald Reagan and Barack Obama in the Clubhouse. If anyone else in the community has painted a president, please let us know so we can display it along with ours.

The K.C.A.G. meets every **Thursday from 1:00 – 4:00** in the multi-purpose room at the Clubhouse. We welcome new members and are always looking for new ideas. Come join us...

Women's Golf Club (KCWGC)

Submitted by L. Ray-Keeney

Amazingly, the weather this year has been cooperating and has not delayed play for the Club's lady golfers. Now that the Spring months of the golf season are behind us, members are asked to sign up for various tee times each Wednesday through the rest of the season. This gives the member opportunities to play rounds with different players each week.

Coming up in June is the annual 2-Lady Best Ball Tournament. This will take place on **June 18 & 25**. Stay tuned for the results...

If you are interested in joining the King City Women's Golf Club for the 2025 season, it is not too late. Simply stop by the pro shop for more information. Another option is to visit us during one of

our Club meetings usually held the first Wednesday of each month in the Association Clubhouse.

See you on the course soon!

Gary Hughes, our audio-visual support for several years, passed away on Easter. His memorial is planned for June 21 at 1 p.m., at Mannahouse Church, in Park 217 off Hall Blvd, Tigard, Oregon.

On June 19, 2025, at 6:45 p.m., please join us to hear the latest discussions from our legislature and other Oregon topics of interest.

Thank you, KCCA Community

Submitted by Cookie Jackson

We're sending out a heartfelt thank-you to our incredible KCCA community for showing up and supporting Iota Delta's Annual Plant and Bake Sale. Whether you picked out the perfect treat or plant for mom or just stopped by to say hello, you helped make the event a blooming success.

Best of all, the proceeds from the

sale go right back into our local community, supporting non-profits that make a real difference. Every purchase you make helps us continue Iota Delta's mission of giving back and uplifting those around us.

If you missed the fundraiser or need more plants, we are continuing the sale at 12500 Prince Edward Ct. in King City. Purchases can be made in an "honor system" style with the instructions and bargain prices (all

under \$5) posted on the wall.

If you have questions about the remaining plants or are interested in learning more about Iota Delta Sorority, please call **Cynthia** at **503-330-2783**.

Golf Handicap Explained

Submitted by George Patton, Handicap Chair

The Handicap Index (HI) is difficult for many players to understand in the golf world. It is the starting number used to determine the Course Handicap for the player on a particular course and set of tees.

Handicap Index (HI) - This is your “raw” calculated number, taken to one decimal point, and is based on the average of your lowest Score Differentials. You never actually play with this number, but it is displayed on your record and is the basis for your Course Handicap.

How is the Handicap Index calculated? You average the eight best differentials of the last 20 scores posted.

What is a score differential? It is 113 divided by the slope rating of the course played times (the adjusted gross score minus the Course rating minus any PCC adjustment).

Now let's look at some other perplexing terms.

Low Handicap Index - The player's lowest Handicap Index over the last 365 days is also shown on your record with an effective date. This value is tracked and compared to your regular index daily at midnight and used in the WHS capping procedure to set a soft or hard cap.

Course Handicap - This is a value expressed as a whole number, and is your index converted to the specific set of tees being played. You can easily find your CH by tapping on the GHIN mobile app 'Handicap Calculator' or by looking up your Course Handicap on the sheet in the proshop.

Playing Handicap - The Course Handicap adjusted for any handicap allowances due to the format of the game played. It represents the actual number of strokes the player gives or receives for the event being played.

Soft and Hard Cap:

A *soft-capped index* is applied when a player's calculated index is 3 points greater than the lowest computed index (LCI) in the past 365 days. The result is an index that rises at a 50% rate rather than the normal rate if the player posts higher scores and/or greater differentials.

A *hard capped index* is applied when a player's calculated index is 5 points greater than the lowest computed index (LCI) in the past 365 days. The result is an index frozen at that level until either the player improves or the LCI changes as the days increase.
