2025 KCCA BOD Election Results

By Lono Waiwaiole, Election Committee Chair

The results of the 2025 KCCA Board of Directors election are in, and they were not surprising – **Megan Rutz**, **Teri Sunell** and **Cheryl Wong** were the only viable candidates on the ballot to fill three open seats. According to the official count released by Yes Elections on June 2, the final tally was as follows:

- **Megan Rutz**, 407 votes
- **Teri Sunell**, 407 votes
- **Cheryl Wong**, 256 votes

- Various write-ins, 20 votes

(Mike Ceccanti received 220 votes, although he had already withdrawn from the process, citing health concerns.)

Just under 28% of the eligible voters participated (462 of 1,666), with most voting online rather than by mail (269 to 193).

The new directors won three-year

Megan Rutz

Teri Sunell

Cheryl Wong

terms and replaced **Ceccanti**, **Bryan Daum** and **Mark Ward** at the Board meeting on June 10. The new Board then elected **Cherie Gilmore-Forczak** as president, **Rob Peters** as Vice President, **Lono Waiwaiole** as Secretary and **Megan Rutz** as Treasurer.

KCCA's 4th of July Parade

Get ready for another one of KCCA's great July 4th parades. Residents with decorated golf carts, cars, trucks, motorcycles, bikes and just about anything with wheels will tour through our Community. Senior Village residents will judge the entries from a cordoned off area at the corner of Royalty Parkway and Queen Elizabeth. Prizes for best decorated will be awarded at KCCA's Clubhouse following the parade.

Parade begins with lineup at 9:00am in KCCA's main parking lot with parade leaving at 10:00am.

Coffee, tea and donuts will be served by Hello Neighbors before the parade and they will continue after the parade with hot dogs and other picnic fare. All residents and their guests are invited to attend. Please bring a chair. Seating is limited.

SAVE the DATE...put your thinking caps on and create something fun.

Greetings, Wonderful Citizens of King City,

Lt. Brian Sigler

Many have inquired about, reported, or have had some encounter with a speeding vehicle within the residential streets of King City at some point. Much like other cities, speeding is by far the number one complaint within our communities. Please remember that speed limits are meant to keep residents, drivers, and pedestrians safe. Unfortunately, speeding still occurs in our neighborhoods, school zones, and business districts. Public safety is our top priority, and we will continually strive to

keep our communities as safe as possible. Please be aware that we will be increasing our efforts to do so within residential streets through visual presence, lidar/radar enforcement, and enhanced traffic details, with a focus on speed. Our hope is that during all upcoming enforcement details and beyond, we will reduce the number of speeding vehicles, have educational and pleasant interactions, and achieve safer and more worry-free neighborhoods.

It is important to highlight one common problem with speeding and the perception of speeding. Although a speed limit might be 25 MPH on a specific residential street, drivers should reduce that speed dramatically while entering and driving around corners.

Please know that we do possess an electronic speed sign that also collects speed data, which helps us to determine where those problematic areas are mostly occurring. If you would like the speed sign to be placed in your area, please don't hesitate to contact us, and we will arrange for that to happen.

We would like to thank you for your continued support and the great partnership the King City Police Department has with its amazing citizens. We appreciate you trusting us to ensure you feel as safe as possible living in our wonderful community.

Sincerely,

Lt. Brian Sigler

Beaverton Community Band

est. 1978

SUNDAY, July 13, 2025

2:00pm – 3:00pm

KCCA Clubhouse

The Beaverton Community Band is an all-volunteer group of 60-75 adult musicians who share a love for concert band music and willingness to share their talents with the public. They believe that by offering life-long musical education, they can help to preserve the community concert band tradition in America.

Their mission is to engage audiences with diverse artistic performances, *enlighten* the community through music education, and *enrich* the lives of their members. They play a critical role in enhancing the quality of life for area residents as great band music is an essential element of a vibrant arts community.

Presented by the Hello Neighbors Social Committee

- ❖ Pro Shop restrooms were updated
- ❖ New storage cabinet for multipurpose room
- ❖ Resolved electrical issues in the shuffleboard building, and rebuilt a retaining wall

These upgrades not only enhance the comfort and functionality of our spaces but also ensure our facilities remain well-maintained for years to come.

Looking Ahead:

Projects for the Coming Year

We have several important initiatives planned for the coming months. These projects are focused on keeping our spaces updated, safe, and enjoyable for all residents:

Current Projects For 2025:

- The entryway concrete to the Clubhouse is being fixed
- The committee is reviewing purchasing new chairs for both the

multipurpose and meeting room

- Making the outdoor pool patio safer and redoing the retaining wall

A heartfelt thank you goes out to our resolute committee members who generously give their time and energy: **Keith Walbridge**, Co-Chair, and the rest of our team, whose efforts often happen behind the scenes but never go unnoticed. Your commitment to our shared spaces is what keeps this community running smoothly.

KC Chorus Celebrating Independence Weekend with Patriotic Program

Submitted by Paula Wenzl

KC Chorus is welcoming the **4th of July Holiday Weekend** with a **First Thursday** program on **July 3, 2025, at 2:00 p.m.** in the clubhouse Banquet Room.

Get an early start to the King City 4th celebrations by attending our program of Patriotic songs. Last year, our Military Mash-Up, where we sang all the songs representing each branch of the military, was a big hit with our audience, so, of course, we're bringing that back! You will also hear *Strike Up the Band, This is the Army Mr. Jones* and the beautiful tribute written by Irving Berlin: *God Bless America*. Individuals in the choir are planning additional surprises

for the program, so be prepared to be entertained.

You may wonder why our chorus has grown so large in the last few years, and it is partly due to the joy of the music and the camaraderie among its members. In addition, there are multiple other benefits to singing! According to an article published by Oxford University, "The physiological benefits of singing, and music more generally, have long been explored. Music-making exercises the brain as well as the body, but singing is particularly beneficial for improving breathing, posture and muscle tension. Listening to and participating in music has been shown to be effective in

pain relief, too, probably due to the release of neurochemicals such as endorphins (a natural painkiller responsible for the "high" experienced after intense exercise)." Plus, and this is a biggie, it's so much fun to sing together and create that joyful noise with so many others. Friendships are developed in the chorus and nurtured because we get together and sing.

Kick off your Independence Celebration by joining us for our **First Thursday Program** on **July 3, 2025, at 2:00 p.m.** in the Clubhouse Banquet Room.

Ride Connection: A free service for KCCA residents

People living and commuting in King City now have access to a recently updated, free shuttle option through Ride Connection's Community Connectors program. With a mission of linking accessible, responsive transportation alternatives with individual and community needs, King City wouldn't be the same without Ride Connection.

Although known for providing transportation options for people over the age of sixty and individuals with a disability, Ride Connection delivers connections to the general public, free of charge. This includes new Community Connector shuttles like CorneliusLink, BethanyLink, and expanded WestLink, which provide transportation to work, school, shopping, and community centers, as well as other services

and destinations to thousands of people every year.

This new transit service was made possible through Statewide Transportation Improvement Funds (STIF) generated in Washington County and through TriMet's Regional Coordination Program.

The King City Link is an updated shuttle service that has stops throughout the community on weekdays that connects King City, Tigard along Durham Road, Durham, and Tualatin with a connection to Bridgeport Village,

Tualatin Park and Ride and Tualatin WES Station. Check out Ride Connection's website to learn more about Community Connectors and find schedules.

Catholic Daughters to host Big Yard Sale

Catholic Daughters of Court 1638, a 501(c)(3) group of women of St. Anthony's Parish in Tigard, is hosting a Big Yard Sale to benefit local charities.

Our main activity is to raise funds for national, state and local charities. Locally, we contribute to Just Compassion, Rose Haven, St. Vincent de Paul Food Pantry and others. Among five state and national projects are Habitat for Humanity, Catholic Relief Services, and Smile Train.

Our members raise funds through bake sales, and for many years, our May Tea and Summer Yard Sales have grown in popularity. With the increasing need among our neighbors, the success of our upcoming Yard Sale, scheduled for Friday and Saturday, July 11 and 12, is critical. Expect to find a variety of small furniture items, baby items (no clothing or shoes), lamps, cookware, sporting goods, linens, women's accessories, books and magazines, toys, and so much more.

For more information or to donate items, contact **Donna Lane** at dmlane94@gmail.com or **503-719-2996**.

King City Men's Golf Club

Submitted by George Patton, Handicap Chairman, 2005-2025

We started our new tournament season with the Spring Handicap. It was a grueling 18-hole Blue/White tee event. Player participation was the highest I can remember with 48 golfers in 5 flights. Our champion, Bill Enyart, scored a blistering 64 in the first round and an amazing 71 in the second round. John Oh, George Patton, Paul Wood, Jeff Thomas, and Ken Kroliloska were

breathing down Bill's neck the final round but could not overcome the tremendous lead Bill posted in the event. Our flight winners: Flight 1-John Oh, Flight 2-George Patton, Flight 3-Pete Ranslow, Flight 4-Paul Wood and Flight 5-Ken Kroliloska. Let's give a big hand to all 48 of our tournament players.

We started the Spring Match Play event on June 10 and will

run through July 14. The number of players is down a little from previous events, but it still fills the roster. Match play is unique in that one blow-up hole does not end the match as it does in stroke play.

We still have the Club Championship, the Fall Match Play, the Fall Handicap, and the Club Turkey Shoot coming up as future events. All you members, get practicing, join in, and compete in one or more of these events. You will compete within your own flight of equal players.
